Instructions

Step 1

Clean bottles and remove labels.

Step 2

Cut both sheets of tissue paper in half.
Fold each half in half.

Step 3

Lay one folded yellow sheet on one orange sheet. Push both through the neck of one of the bottles leaving some showing out the end.

Step 4

Now repeat step 3 with the other bottle.

Step 5

Lay both bottles side by side on a long strip of masking tape. Wrap tape around bottles.

Step 6

Secure on top of Cubetto with another strip of masking tape. Now send him to the reaches of outer space!
