

# TWO ROBOTS. SUBTLE DIFFERENCES.

Find the one that's best for your needs.

Take an apples to apples look at SPRK+ and Sphero Mini and decide for yourself what works best for your educational program.

## SPRK+

SPRK+ is designed to inspire curiosity, creativity, and invention through connected play and coding.

## MINI

Sphero Mini packs a huge experience into a tiny, app-enabled robot the size of a ping pong ball.

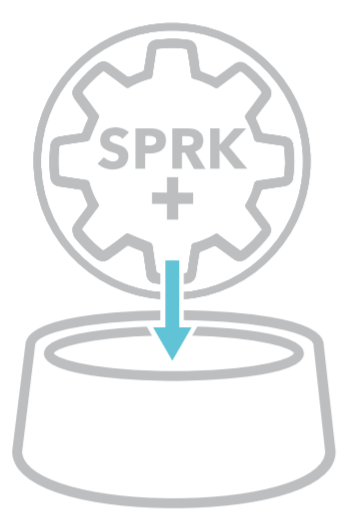

### SHELL

Clear, Durable, Waterproof, Scratch-Resistant.

Colorful, Interchangeable.

Shell is sealed and does not open.

Shell pops open for changing and charging.

Simple, Inductive charging.

Micro USB charging.
