

# WHAT I KNOW ABOUT HOT DESERTS

What do you know about Deserts?

Use this picture of a cactus as a graphic organiser to categorise your knowledge of these environments - list key words under each heading.

Name: .....

Class: .....

## DISCUSS

What is a graphic organiser?  
Do you think they help you to sort out your knowledge? How?  
Think of some other methods you could use to show the information that you know.

After you have studied deserts in class, complete this organiser again.  
What have you learned?
