What you need

■ Bostik Blu-Tack® Colour

Step 1

To create the leaves, use your thumb to flatten out small balls of green **Bostik Blu-Tack® Colour**. Then attach the leaves to the body.

Step 2

Once you have layered all leaves, your tree should look like this.

Step 3

Roll out strips of **Bostik Blu-Tack® Colour** to create decorative tinsel.

Step 4

Roll out small balls of pink **Bostik Blu-Tack® Colour** for Christmas lights.

Step 5

Create the star topper. Then attach on top to finish decorating your **Blu-Tack® Colour** Christmas Tree.
