

# Snowman

ideas that stick™

## What you need

Bostik Mini Hot Melt Glue Gun

Bostik Glitter Glue

White string/wool

2 balloons

two googly eyes

2 blue pom poms

Bostik Clag® Paste

Bostik Template

Ribbon

Scissor

Texta, coloured pencils or crayons

Adult required when using Bostik Mini Hot Melt Glue Gun.

**Step 1**

Blow up the balloons to 10cm. Wrap wool around the balloon in random direction. Use Bostik Clag® Paste to glue down the wool.

**Step 2**

Once dried, carefully pop the balloon and pull it out from the wool case. Cut a larger hole to one of the wool case as shown.

**Step 3**

Use Bostik Mini Hot Glue Gun to attached the head and body together.

**Step 4**

Print template provided, colour in the nose and decorate the hat with Bostik Glitter Glue. Attach all accessories to your snowman body using Bostik Mini Hot Melt Glue Gun.

**Step 5**

Add a ribbon as the snowman's scarf. He is complete!
