

Christmas Tree Garland

ideas that stick™

What you need

Bostik Mini Hot Melt Glue Gun

Bostik Glitter Glue

3 shades of green coloured felt sheets

Green string/wool

Wooden pegs

A black marker

Scissors

Bostik Garland Template

Sticky Rhinestones

White pom poms

1 white coloured foam sheet

Popsicle sticks

Adult required when using Bostik Mini Hot Melt Glue Gun.

Step 1

Cut out the Bostik template - these will be your stencils. Trace the shapes to the felt and foam sheets, then cut the pieces out.

Step 2

Use Bostik Mini Hot Melt Glue Gun to attach three coloured felt pieces to popsicle sticks. Attach the wooden pegs, facing up, to the trees and stars.

Step 3

Decorate your stars and trees with sticky reinstones and Bostik Glitter Glue.

Step 4

Clip the pegged tree and stars to the string.

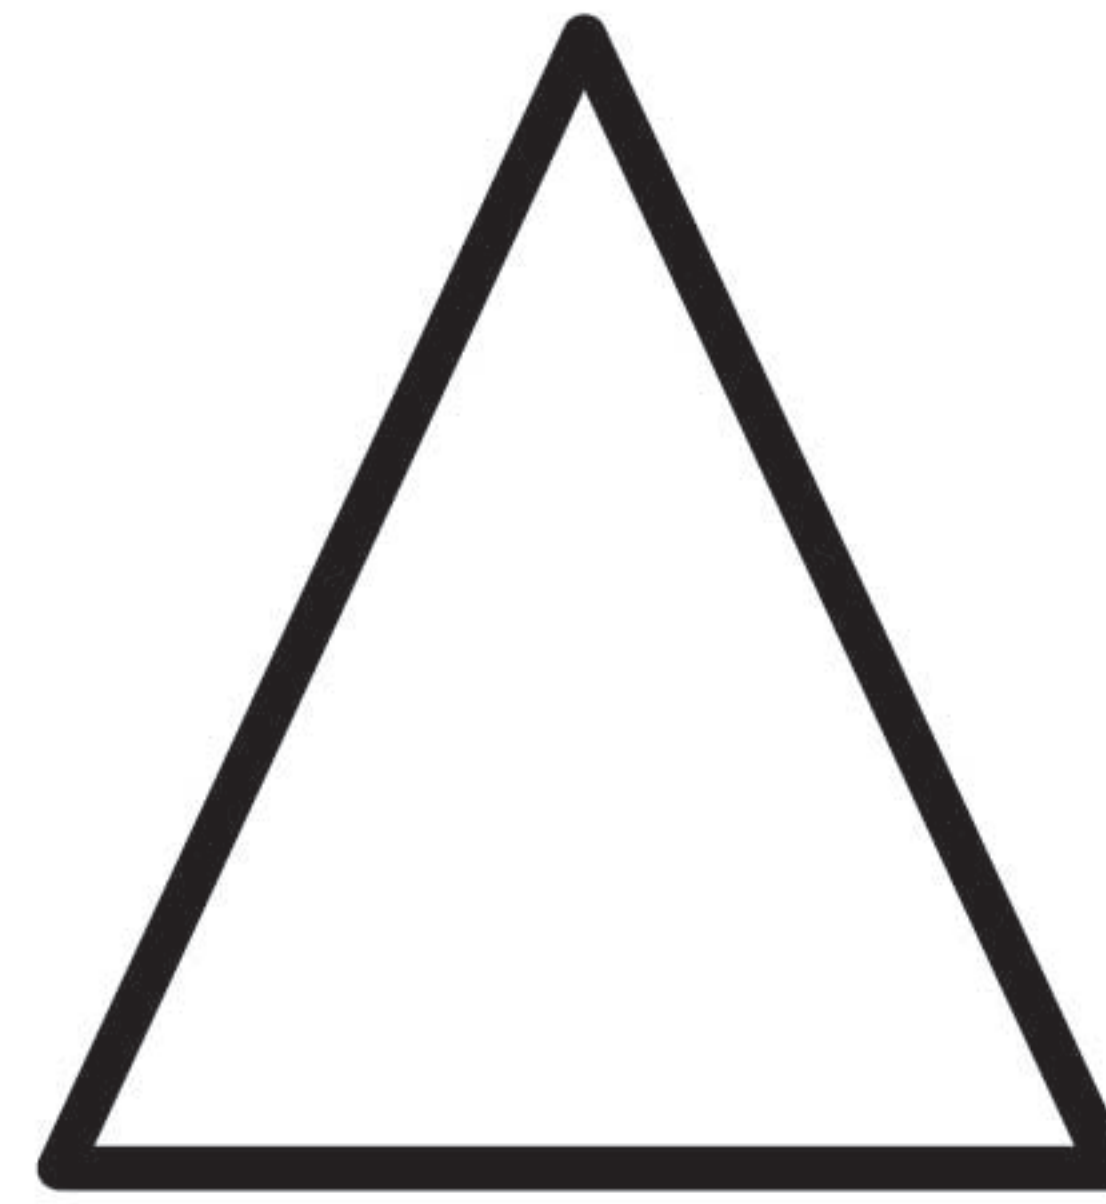

Step 5

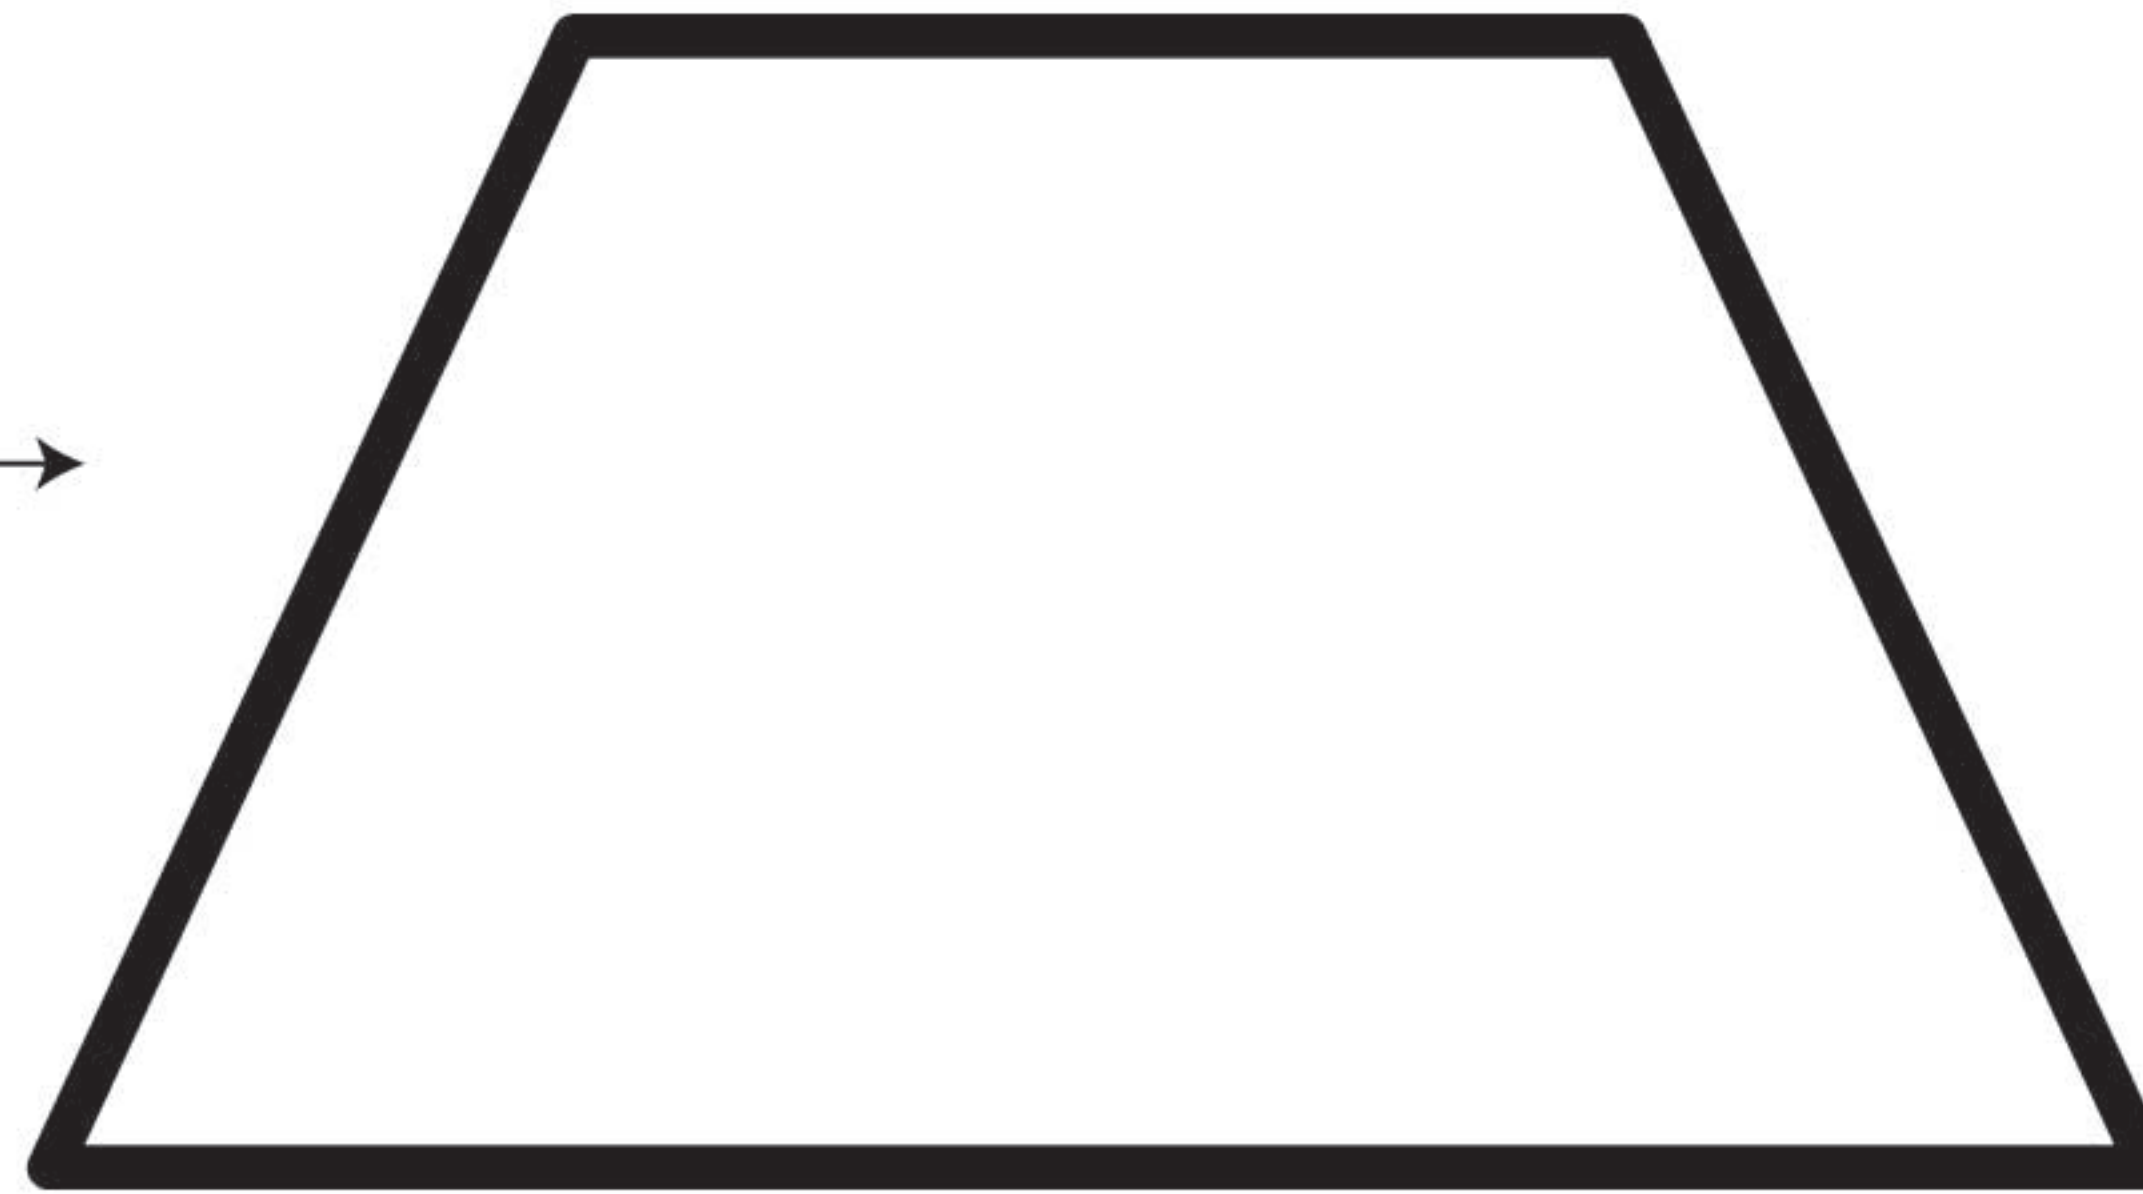

Hang up your Christmas Tree garland to add some festive season to the space!
