SCISSORS

PENCIL

LARGE GOOGLY EYES

PROJECT SHEET

USE A SPLIT PIN
FOR WINGS THAT
MOVE.

STEP 1. TRACE WINGS

Fold yellow paper in half and trace around your hand with a pencil. This way, you'll get two handprints!

STEP 2. CUT IT OUT

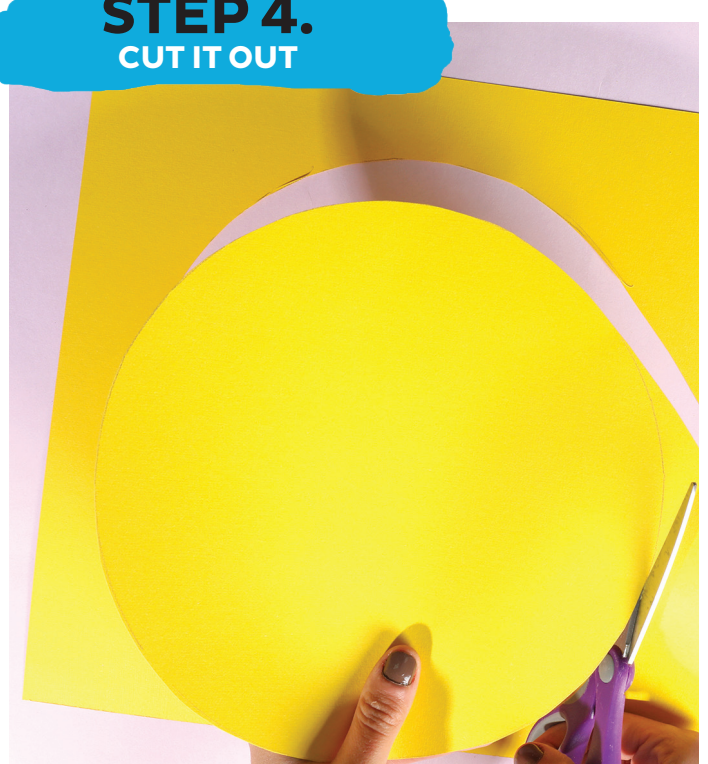

Cut out the handprints.

STEP 3. CREATE BODY

Trace around a circular object. We used a paper plate.

STEP 4. CUT IT OUT

Cut out the circle as neatly as you can!

PROJECT SHEET

CUT A DIAMOND
AND FOLD IN
HALF FOR A 3D
BEAK!

STEP 5. ATTACH WINGS

Paste wings to the body using Clag glue.

STEP 6. ADD EYES

Glue on the googly eyes with Glu Dots.

STEP 7. ADD A BEAK

Cut a triangle beak out of orange paper and paste below the eyes.

STEP 8. GLUE ON FEET

Cut out a pair of feet and glue them onto the back of the body with Clag glue.
