HOW TO MAKE A

# Bostik Octopus

## YOU'LL NEED:

- Printed Template
- 1 sheet of coloured A4 card
- 38mm Pom Pom
- Joggle Eyes (12mm)
- Sequins
- Scissors
- Clag Kids PVA
- Bostik Glu Stik

## STEP 1

Print the template and find a clean surface to work on. Make sure you have everything you need.

## STEP 2

Glue the octopus legs template to the coloured paper with the Glu Stik. Cut around the template.

Use the Glue Stik to glue the legs together at the centre. Make sure you have the legs facing all directions. See template for placement.

## STEP 3

Use the Clag Kids PVA to stick the pom pom to the centre of the legs. Then glue the joggle eyes to the pom pom.

## STEP 4

Stick the sequins onto the legs with the Clag Kids PVA then leave to dry.

All done – looks fantastic!
