# Santa Claus

ideas that stick™

## What you need

■ Bostik Craft PVA Glue

■ Scissors

■ Cotton balls

■ 1 white paper or plastic plate

■ 1 red paper or plastic plate

■ A black marker

### Step 1

Draw the shape shown with a marker on a red plate. Then cut out the shape.

### Step 2

With Bostik Craft PVA Glue, attach the red shape to a white paper plate.

### Step 3

Now it's time to create Santa's hat and beard! Glue down the cotton balls along the areas shown in yellow.

### Step 4

Cut out a red nose from the remaining red plate then glue down using Bostik Craft PVA Glue. Draw in the eyes with a black marker. Your Santa Claus is now complete!
