

Straw Activity Plan Drinking Straw Organiser

SUITABLE FOR:

Ages 4 - Adult.

AIM:

Drinking straws have many uses other than for drinking.

MATERIALS NEEDED:

- Coloured Drinking Straws (106265)
- Foam Squares (107637)
- Glue
- Scissors
- Ruler

INSTRUCTIONS:

1. Cut a piece of foam 10.5cm x 10.5cm.
2. Cut 2 pieces of straw to 10.5cm each and glue to opposite sides of foam.
3. Cut several different coloured straws to 11cm.
4. Place glue on both ends of each piece of straw and place across existing straws in layers.
5. Continue placing straws in alternative colours and layers until you reach the height you want.
6. Now you have created your totally unique desk organizer! What will you put in yours?
