

Christmas gifting

Cut-out and glue the star to this panel

Christmas gifting

A fun little Christmas craft for the whole classroom.

Simply colour-in the box and then cut-out the gift cube, folding along the dotted lines.

Use a **Staedtler glue stick** on any blue area to secure your gift cube.

Write your Christmas message on the gift tag, before you add the bow and star.

Key

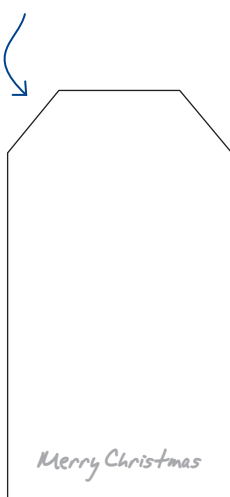

Glue space:

GLUE

Fold line:

Write your Christmas message on the back of the gift tag
