

# Jumping Frog

Rated: Easy

PAGE 1/2

## YOU WILL NEED

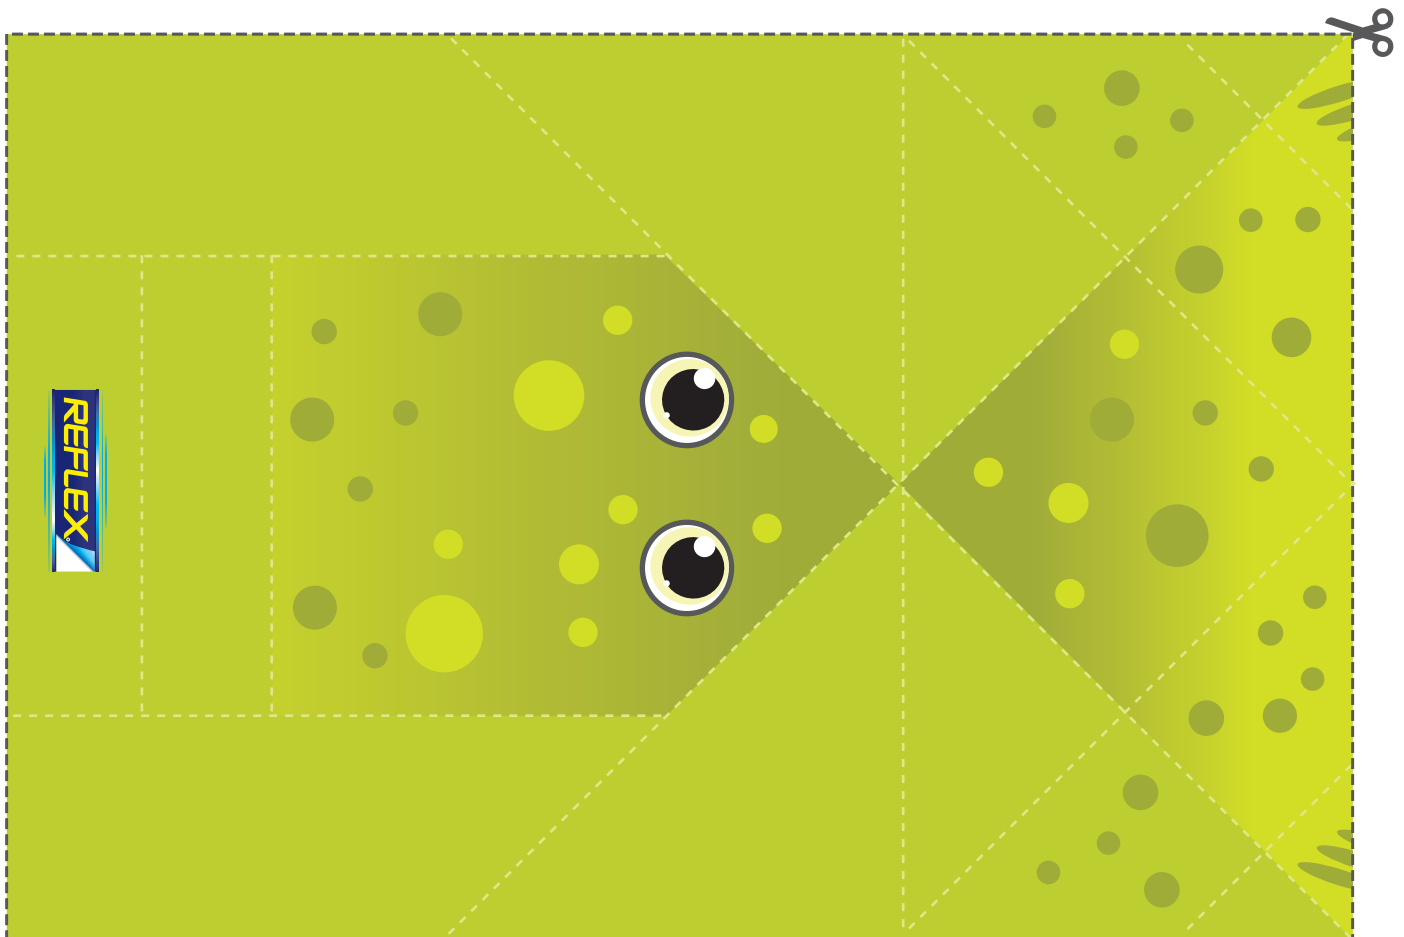

- ✓ Scissors
- ✓ 2 sheets of A4 Reflex paper

## KIDS

- ✓ Get an adult to help you cut out the template and make your jumping frog

## GETTING STARTED

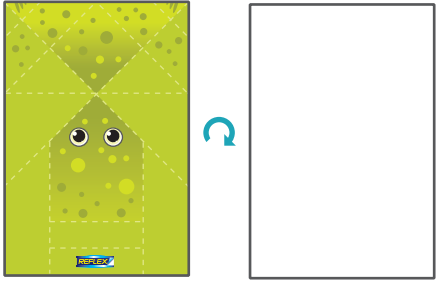

1. Print the template and instructions
2. Carefully cut out the template below (black dashed lines)
3. Then carefully follow the instructions on the next page to make your jumping frog

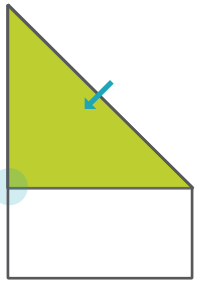

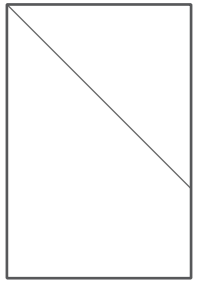

For better performance, always rely on Reflex.

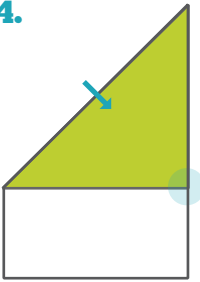

# Instructions

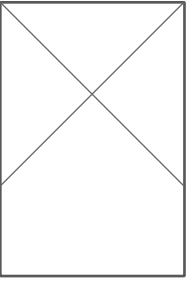

Once you have cut out the template you will have a rectangle. Follow the folding instructions below to make your jumping frog.

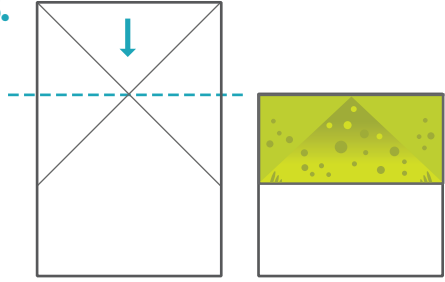

- 

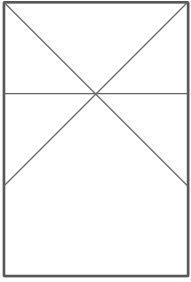

1. Start with the template face up, then turn over to show the blank side.
- 

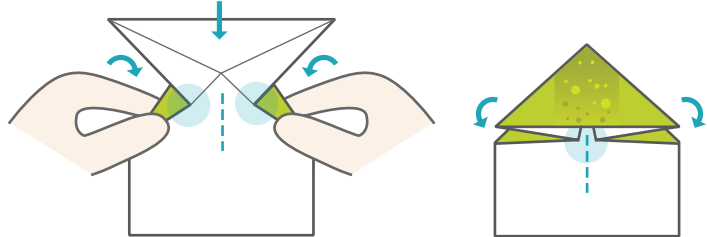

2. Fold the top right corner and crease.
- 

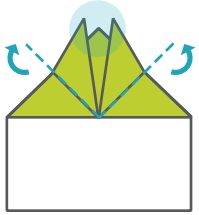

3. Unfold.
- 

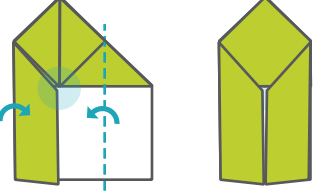

4. Fold the top left corner and crease.
- 

5. Unfold.
- 

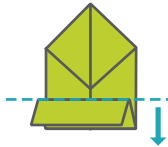

6. Fold top down to half way and crease. Use the dashed line as a guide
- 

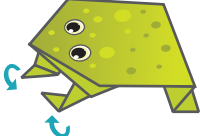

7. Unfold.
- 

8. Pinch the side edges in so that the folds meet in the middle. Push down and crease all the edges.
- 

9. Fold up the top layer corners to meet the top point which make the legs.
- 

10. Fold in both the sides to meet in the middle.
- 

11. Fold the bottom up, use the dashed lines as a guide.
- 

12. Fold back, use the dashed lines as a guide.
- 

13. FINISHED

Flip over, then fold the feet back, use the dashed lines as a guide.
