

Spinning Top

Rated: Medium

PAGE 1/2

YOU WILL NEED

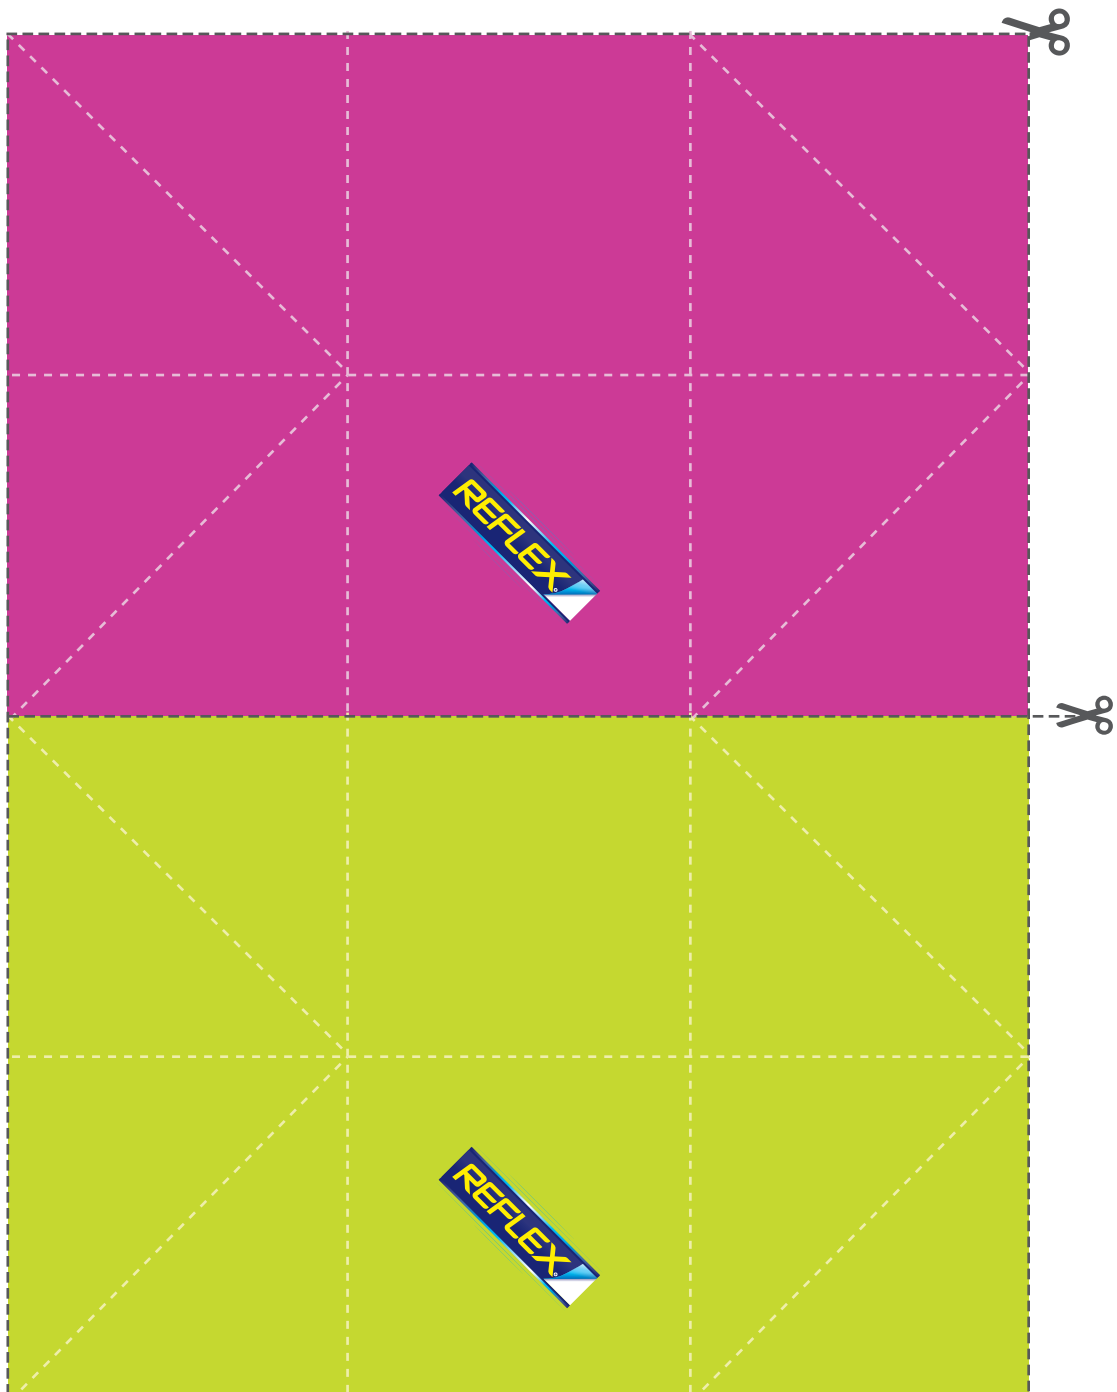

- ✓ Scissors
- ✓ 2 sheets of A4 Reflex paper
- ✓ 1 toothpick

KIDS

- ✓ Get an adult to help you cut out the template and make your spinning top

GETTING STARTED

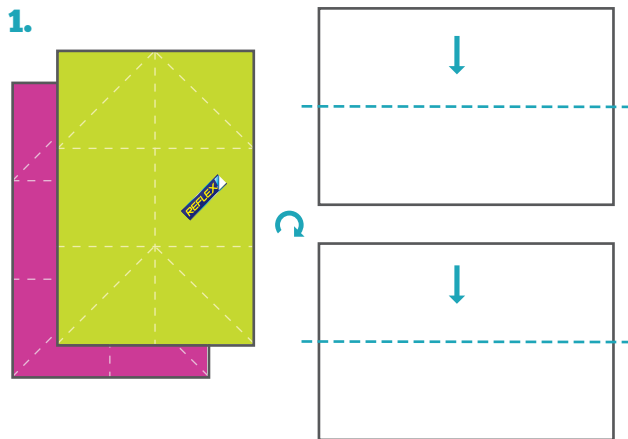

1. Print the template and instructions
2. Carefully cut out the template below (black dashed lines)
3. Then carefully follow the instructions on the next page to make your spinning top

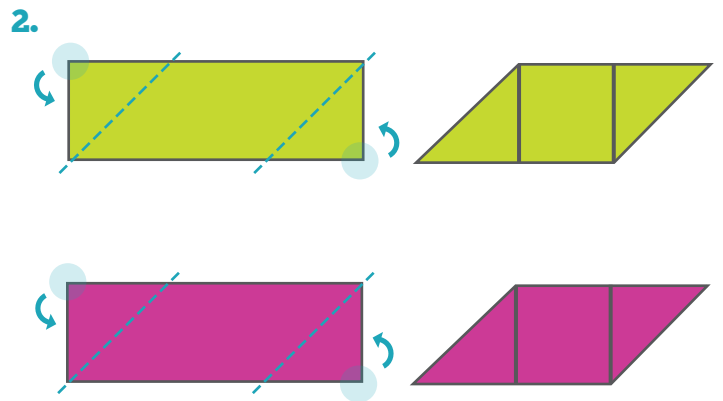

For better performance, always rely on Reflex.

Instructions

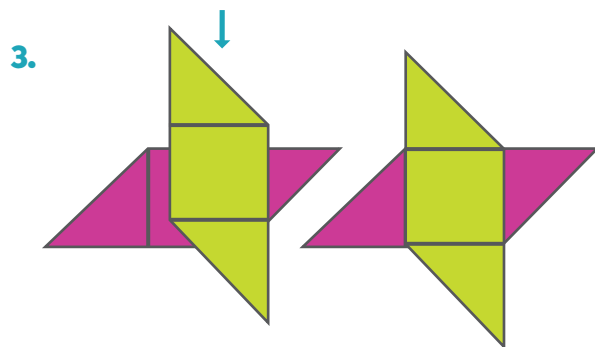

Once you have cut out the template you will have two rectangles. Follow the folding instructions below to make your spinning top.

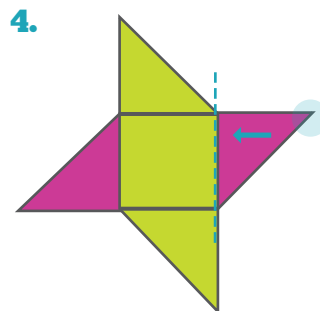

Start with your two templates with the blank sides showing. Fold both in half.

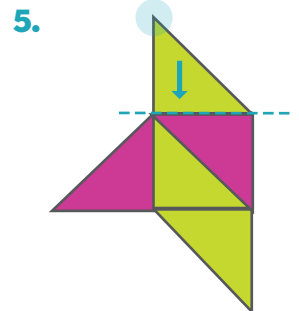

Fold the top left and bottom right corners in so they meet at the top and bottom edges.

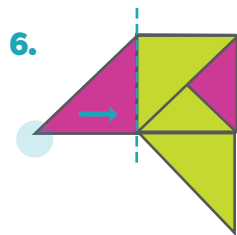

Now position the top folded piece to sit on top as shown.

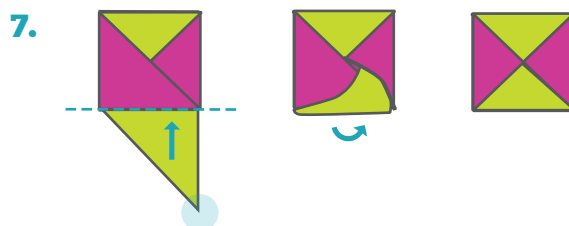

Fold the right point over.

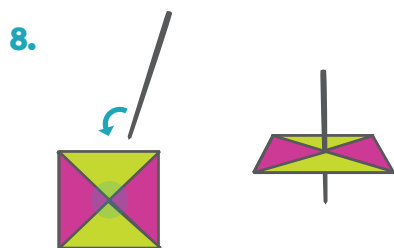

Fold the top point over.

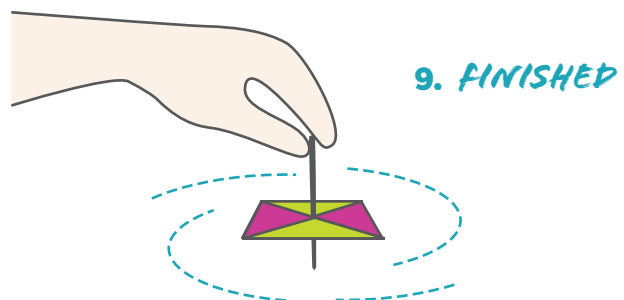

Fold the left point over.

Fold the bottom point over and tuck under the right triangle.

Insert the toothpick into the middle point.

Start spinning!
