Instructions

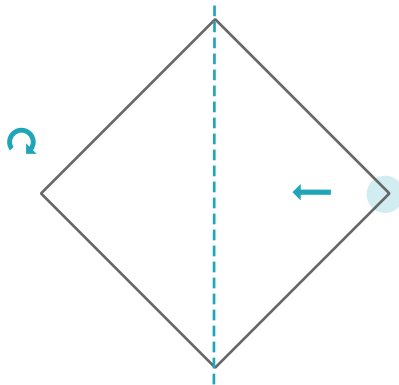

Once you have cut out the template you will have a square. Follow the folding instructions below to make your turtle.

PAGE 2/2

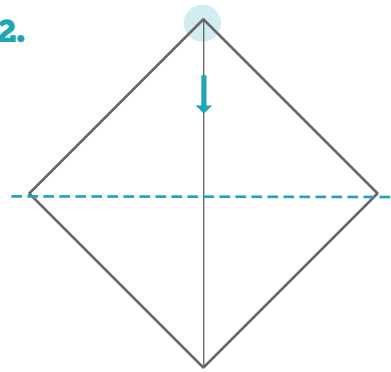

1.

Start with the template face up, then turn over to show the blank side. Fold in half, crease and unfold.

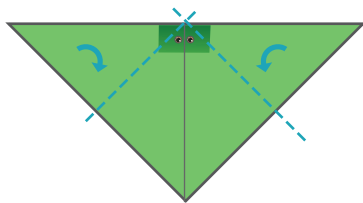

2.

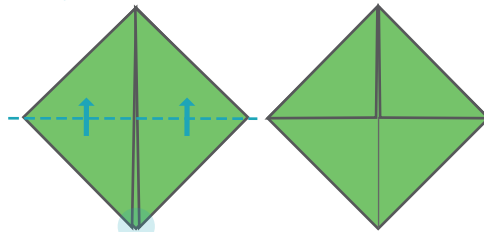

Now fold the top corner down to the bottom corner.

3.

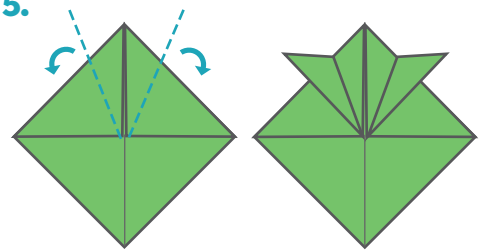

Fold the two top corners down to meet the centre line. Use the dashed lines as a guide.

4.

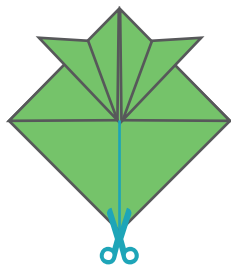

Fold the two top flaps upwards to the top point.

5.

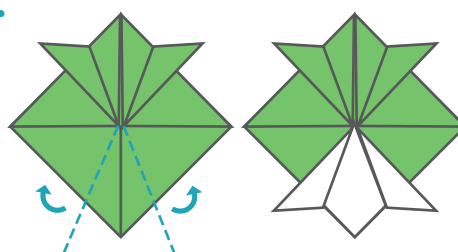

Fold the top layers outwards as shown.

6.

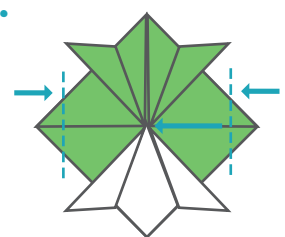

Get scissors and cut the top layer of the bottom flap. Cut only one layer as per the guide.

7.

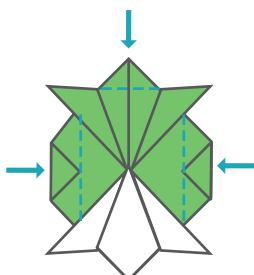

Fold out the bottom flaps similar to Step 5.

8.

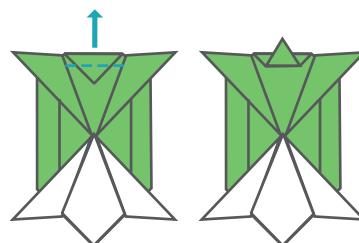

Fold the two sides in to meet in the centre.

9.

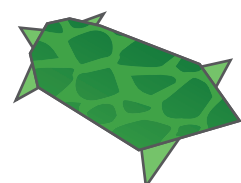

Repeat the last step by folding the two sides in to meet in the centre, then fold the top point down as shown.

10.

Now fold up to create the turtle head.

6. FINISHED

Flip over and adjust legs to sit.
