DATASHEET (ENGLISH - NA)

EVOLVE3 65 FLEX

Most portable voice clarity on the move.

FEATURES

DESIGNED FOR EASY PORTABILITY

- Ultra-light, slim and foldable design
- Slim profile packs into a compact carry pouch for travel-ready convenience
- Mic-arm-free design blends naturally into any setting, from office to coffee shop

COMFORT THAT GOES FURTHER

- Lighter, slimmer design built for all-day comfort in the office or on the move
- Angled oval ear cushions for a more ergonomic, natural fit
- Jabra Air Comfort™ technology helps reduce pressure throughout the day

FOCUS IN ANY SETTING

- 4-mic adaptive ANC dynamically adjusts to fit, setting and wind to deliver a step-up in focus across changing environments
- Sidetone lets you hear your own voice to keep speaking volume in check and works simultaneously with ANC for balanced, distraction-free calls.
- 360° Busylight clearly signals to colleagues around you when you don't want to be disturbed

SOUND CLEAR AND PROFESSIONAL WHEREVER YOU ARE

- Jabra ClearVoice™ uses AI-powered deep learning to isolate your voice from background noise for clear voice pickup without a mic arm
- Consistent clarity whether you're in the office or on the move
- Improved Sidetone provides natural voice feedback to help you avoid speaking too loudly on calls

BUILT FOR VOICE TO AI INTERACTIONS

- Captures over 95% of spoken words accurately for AI tools across any environment, so you get better results wherever you are
- Built for seamless integration with your Gen AI assistant of choice

RICH, IMMERSIVE AUDIO

- Spatial Sound places voices in front of you for more natural, less tiring conversations
- 28 mm speakers and the latest LC3 codec deliver richer, more detailed calls and music
- Support for super wideband audio brings higher definition sound to calls

ALWAYS CONNECTED

- A pre-paired dongle and Microsoft Swift Pair and Google Fast Pair for quick, easy connection
- Up to 16 hours of talk time or 80 hours music time on a single charge
- 30m / 100ft Bluetooth® range for more freedom to move
- Microsoft Swift Pair and Google Fast Pair for instant, hassle-free setup
- Dual connectivity to switch smoothly between devices
- Dedicated Microsoft Teams button and UC-certified for all major meeting platforms

FUTURE-PROOF, SECURE AND EASY TO MANAGE

- The Jabra Plus Management platform delivers automatic updates – including new features – remotely and securely
- Jabra Plus mobile and desktop apps lets individuals personalize their own audio*
- Built in enterprise-grade security with encrypted audio keeps data and conversations completely private
- Bluetooth® Low Energy (LE) delivers efficient, secure wireless performance and support emerging experiences such as AuraCast™

MADE RESPONSIBLY AND BUILT TO LAST

- Replaceable battery and ear cushions to help extend life
- Made with 37% recycled or biocircular materials, delivered in FSC-certified packaging

* The Jabra Plus desktop app will be available in 2027
