

PLANET ARK

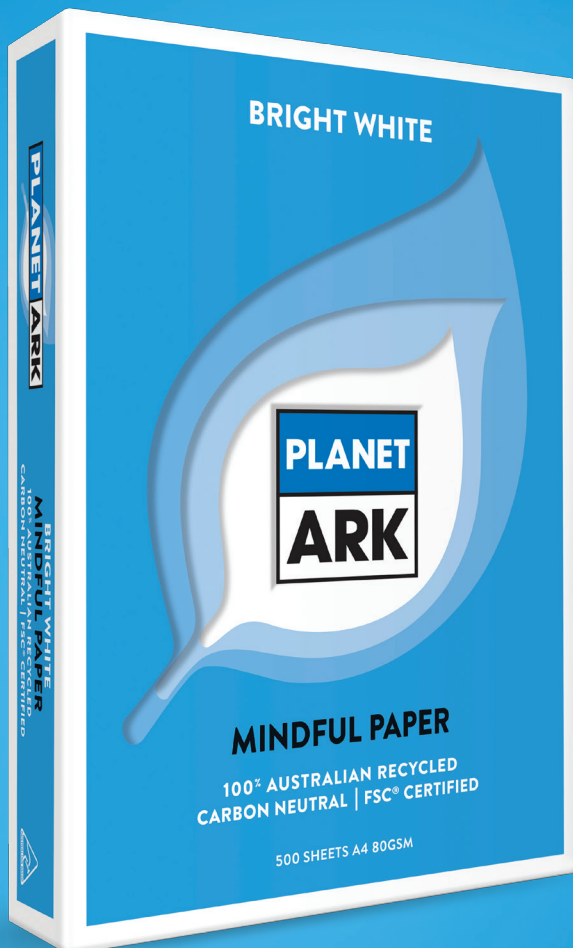

Make it Australian Recycled

Every time you use Planet Ark Mindful Paper you're making a conscious choice to close Australia's office paper recycling loop and make a positive difference.

Planet Ark Mindful Paper is made using an advanced paper recycling process to create a bright white paper with excellent print performance, specifically designed to perform in all printers, faxes and copiers.

By choosing this product you are helping to keep paper out of Australian landfill, support local jobs and contribute to Planet Ark campaigns such as National Recycling Week.

- Proudly Australian made
- Made from 100% recycled paper
- Certified Carbon Neutral
- FSC® certified

MINDFUL PAPER

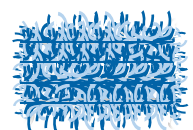

Helping to close the local recycling loop with Australian waste paper.
