

Keep Devices Charged, Locked and Organized

Universal AC Lock & Charge Station

The Kensington Universal AC Lock & Charge Station was engineered to meet the demands of classrooms, healthcare offices and retail spaces needing a durable storage solution for tablets, laptops, and e-readers.

Features & Benefits:

- **Universal Compatibility** allows you to store and charge up to 12 AC-powered devices (up to 14" each), including Chromebook, Surface Pro, MacBook, iPad, Galaxy Tab, laptops and 2-in-1's
- **Sturdy Metal Frame** offers durable protection to withstand the demands of every day use while also providing effective heat dissipation
- **Security Door with Kensington Security Slot** accommodates a standard padlock for proven device protection, or use a Kensington keyed cable lock to secure devices and the charging station to a fixed object (locks not included)
- **Industrial-Grade Surge Protector** provides 12 well-spaced outlets for protection against voltage spikes

Why Trust Kensington?

Trusted by enterprises around the world for over 35 years, Kensington is a leader in desktop and mobile computing accessories. Committed to delivering robust solutions for K12 and business professionals, Kensington delivers high-tech productivity solutions with universal simplicity.
