

AC32 32-Bay Security Charging Cabinet

Part Number: K62327AP | UPC Code: 085896623274
Part Number: K62327EU | EAN Code: 5028252619363
Part Number: K62327UK | EAN Code: 5028252620222

Charge, transport,
lock, and store up
to 32 devices neatly
and easily.

Features include lockable front and rear doors and a sturdy security cable attachment ring (padlocks and security cable not included); built-in dividers and cable organization that keeps bulky adapters out of the way; large, 5" removable non-marking locking casters that allow for easy movement over rough and uneven surfaces; smart charging technology that automatically prioritizes power to the devices that need it most, for faster, more efficient charging; and a push handle.

Features include:

- Holds 32 devices (up to 15.6 inches)
- Lockable front and rear doors
- Sturdy security cable attachment ring
- Built-in dividers and cable management
- 5-inch removable non-marking locking casters
- Smart charging technology
- Push handle

Part Number: K62327UK | EAN Code: 5028252620222

Holds up to 32 Devices

Neatly and easily charges, transports, locks, and stores up to 32 devices (up to 15.6 inches each).

Lockable Front and Rear Doors

Allow you to secure the devices inside (padlocks not included).

Security Cable Attachment Ring

Provides a sturdy, secure point to attach a security cable (security cable and padlock not included).

Built-In Dividers and Cable Management

Organizes devices and cables and keeps bulky adapters out of the way.

5-inch Removable Non-Marking Locking Casters

Allow for easy movement over rough and uneven surfaces.

Smart Charging Technology

Automatically prioritizes power to the devices that need it most, for faster, more efficient charging. Region-specific connection included.

Push Handle

Makes transport simple.
