

# TruSens

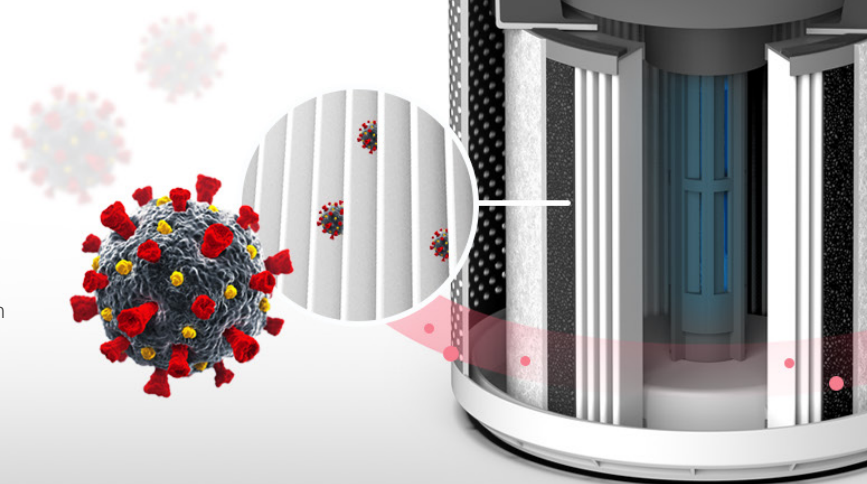

Give your students and teachers  
peace of mind with cleaner air

TruSens Air Purifiers use  
**DuPont™ filtration** to capture  
indoor airborne pollutants whilst  
our **UV-C lamp kills germs** and  
**bacteria** trapped in the filter

**TruSens eliminates  
99.99% of airborne  
coronavirus in your  
indoor space.\***

\*Results from independent third party testing using aerosolized airborne concentration of human coronavirus 229E over a two-hour period in a sealed chamber. HCoV-229e is a well-established surrogate for SARS-Cov-2.

# TruSens™

EXPERIENCE THE DIFFERENCE  
air purifiers reimagined

## Improved Air Coverage

The separate SensorPod™ detects pollutants from across the room, not just by the purifier. TruSens automatically adjusts its fan speed, delivering cleaner air throughout your space.

## Air on Display

View indoor air quality readings with the illuminated LED display on the air purifier.

## More Ways to Purify

The DuPont™ 360° filter captures allergens, certain VOCs, and microscopic particles from all directions, while a UV-C light kills germs and bacteria trapped in the filter.

## Total Room Coverage

Breathe cleaner air throughout the entire room. Our PureDirect™ technology delivers air in two streams instead of one for better air distribution so the whole room benefits.

### Spec Summary

Air Inlet	360 degrees
CADR (Clean Air Delivery Rate)	325.5 m3/Hr
Air Changed 2 Times Per Hour	70 sqm
Air Delivery Type	PureDirect™
Sensor	SensorPod™, works up to 15m from purifier
Fan Speed Setting	Whisper, 1, 2, 3, Turbo
Purification Levels	Washable Pre-Filter
	Carbon Filter
	True HEPA Filter
	UV-C Light
Timer Settings	2, 4, 8, 12 hour
Filter Change Indicators	Carbon, HEPA, UV
Noise Level	32 - 66 dB
Dimensions	263mm W x 263mm D x 726mm H
Weight	5.7kg
Motor Type	DC Motor
Power Requirements	220v-240v / 50/60 Hz
Power Consumption	68 W
Warranty	2 Years

### Replacement Filters & UV Bulb

3-in-1 HEPA Drum Filter	AFHZ300001AU (replace every 12-15 months depending on usage)
Carbon Filter (3 Pack)	AFCZ300001AU (replace every 3-4 months depending on usage)
UV-C Lamp	UVLZ300001AU (replace every 2-3 years depending on usage)
