Australia's favourite,  
premium touchscreen has evolved...

Premium 4K touchscreen with  
built-in Android & 5 year onsite warranty

**commBOX**  
Interactive Classic

# commBOX Interactive Classic V3

Australia's favourite, premium touchscreen has evolved...

The CommBox Interactive Classic V3 is here. Providing a simple, clean interface that supports pedagogy with built-in web browser, whiteboard and screenshare. Classroom or boardroom interactivity has never been easier or more intuitive. Use the touchscreen solo, connect your personal device or add the optional PC to the built-in OPS slot. V3 is the most versatile CommBox Classic model yet.

All without any PC or Laptop Connected...

PLUG N PLAY FOR WINDOWS, MAC & CHROME

Built-in native AirPlay

Google Drive Compatible

Microsoft OneDrive Compatible

## INSTANT WHITEBOARDING

Instant whiteboarding without connecting a laptop or PC. The CommBox Whiteboard supports multi-touch and has an infinite canvas. Share & collaborate on your whiteboard, instantly.

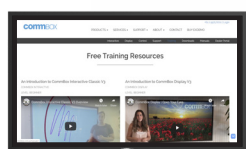

## CLICKVIEW BUILT-IN

Browse, view and play content from your ClickView library without the need for a PC.

## BUILT-IN SCREENSHARE

Connect up to four devices wirelessly and simultaneously, then remote control your touchscreen.

## BUILT-IN TRAINING RESOURCES

Browse through training videos and resources at the touch of a button without a PC connected.

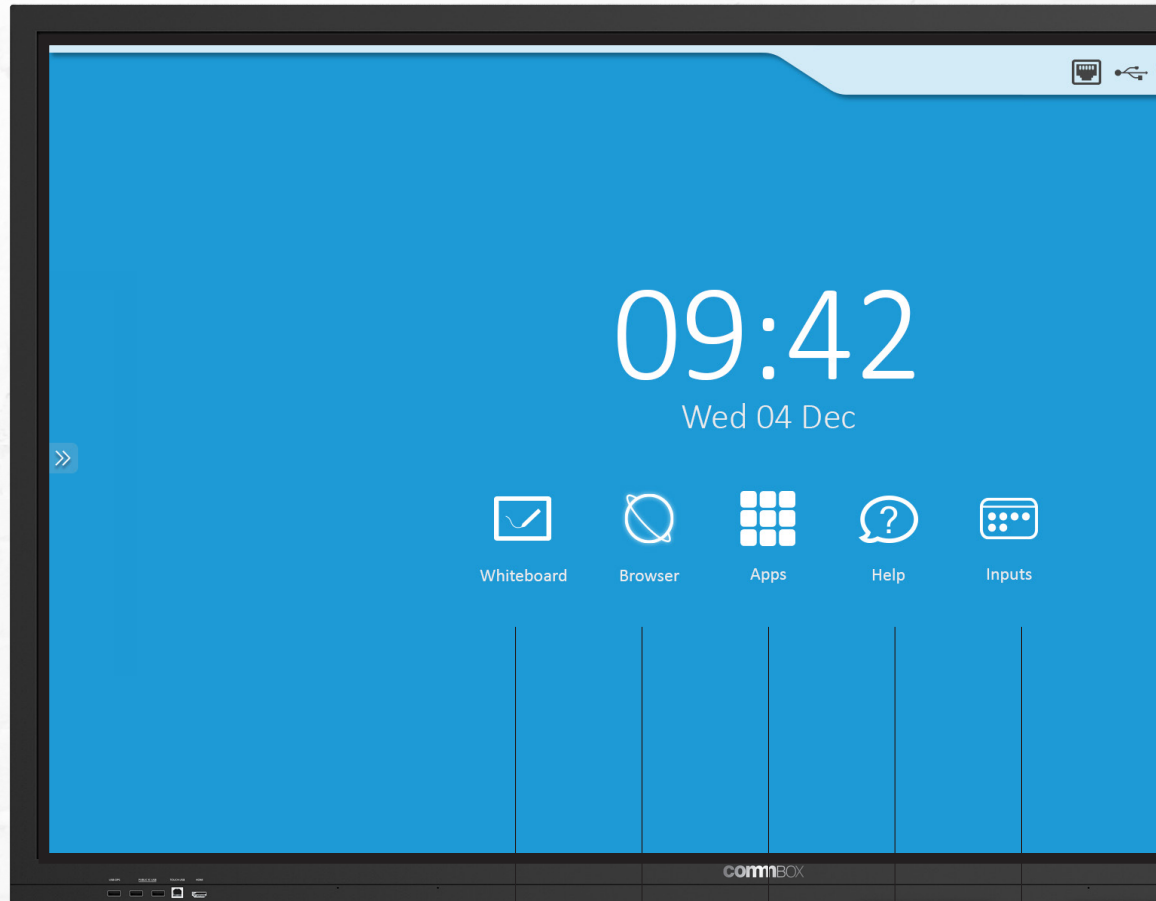

Rugged as ever, the Classic V3 is still the

# TOUGHEST TOUCHSCREEN

on the market...

All Classic V3 Touchscreens incorporate 5mm toughened glass, and CommBox Glide™ Technology, ensuring that the panels are smooth and frictionless to touch. With high performance anti-glare properties the Classic V3 is perfect for the Australian classroom.

Cultivate an environment of learning, flexibility, innovation & collaboration...

## Triangular, ergonomic-grip stylus design

Double ended stylus to easily change colour and pen width. CommBox has perfected the natural hand writing feel of previous versions and taken functionality to new heights.

## Technology that feels natural

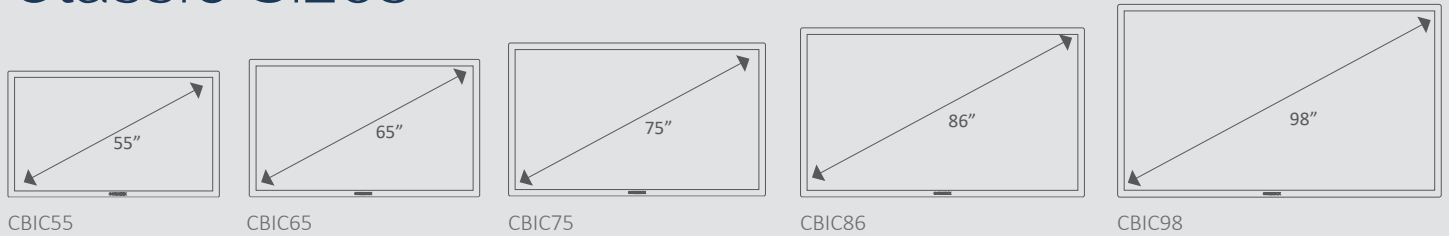

Boasting 20 points of touch with 1mm object recognition, the CommBox Interactive Classic V3 offers the most accurate and responsive user experience yet.

## Key Features

- 4K resolution
- 20 Point touch, 1mm accuracy
- Quadcore 1.5GHz processor with Mali GPU
- Android 8
- Built-in web browser, whiteboard & screen share
- Front input access
- Blue Light eye-care
- Premium A Grade display
- 5 Year onsite Warranty
- Wall Mount Included
- Premium Anti-glare glass
- Built-in wifi & OPS Slot
- ClickView

# Classic Sizes

## Future Proofed

CommBox Classic V3 not only provides stunning graphics and video, but also the peace of mind that all rooms are future proofed. All HDMI ports are HDMI 2 & HDMI 2.2 and will output HDMI 2 & HDMI 2.2 in 4K Ultra HD @ 60Hz.

## Seamless Updates (OTA)

Your CommBox can update and upgrade apps and software automatically, or at the click of a button, you set your preference.

## ProActive Support

Remote management & control from any device, from anywhere, even outside your school. View and control hundreds of devices and rooms from a single portal including brands and devices other than CommBox, such as projectors, lights etc...
