It just makes life easier.

The Revolution 32 Cabinet is a fixed charging, storage and security station specifically designed to simplify the management of large Laptop, Chromebook and Tablet deployments. It can accommodate up to 32 devices and is equipped with an upgraded ECO Safe Charge for safe and efficient charging. This intelligent system stages the availability of power to each group of devices. The functions available can help prevent power overloading, reduce energy bills and extend the life of your laptop's batteries.

Smarter, safer and more efficient charging. With the ECO Safe Charge power management system, you can charge up to 32 devices simultaneously. The included remote means you can turn the Cabinet on or off from anywhere in the classroom.

Timed charging modes. Easily set your Wall Cabinet to charge for a specific amount of time. The ECO Safe Charge will allow you to charge all devices for 1 or 3 hours before it automatically switches off. It can also cycle charge groups of devices for 1 or 3 hours at a time.

Device racks with the option for Baskets. Whether you have Laptops and Chromebooks or iPads and Tablets, the Revolution ECO 32 Wall Cabinet will accommodate just about any device. Replace the included device racks with Baskets to make portability quick and easy for smaller devices. Do you have a variety of Laptops and Tablets? You can mix and match devices racks and Baskets in the one Wall Cabinet. The choice is yours!
