

iQ 30 Cart™

Sync, charge, store, secure and transport up to 30 iPad®, iPad Air™, iPad mini™ or other compatible Tablet devices.

-  **Efficient syncing.** Using synchronisation software on your MacBook® or PC, the iQ 30 Cart can sync up to 30 iPad or other compatible Tablet devices simultaneously.¹
-  **Go mobile!** The iQ 30 Cart is designed to be mobile, so you can create an instant learning environment in almost any location.
-  **Extremely portable.** The iQ 30 Cart is equipped with six removable 5 slot Carry Baskets. This makes iPad, iPad Air, iPad mini or Tablet deployments easier.
-  **Secure!** After a day of use, lock the sliding top lid and attach the heavy duty anchor kit for securing the Cart whilst it's not in use.
-  **Efficient charging.** With 2.1 amp power at each port, the iQ 30 Cart is capable of charging up to 30 iPad or other compatible Tablet devices at the same time.
-  **Style meets functionality.** The iQ 30 Cart features a sliding top lid so that devices can be accessed quicker, easier and by more users at once.
-  **Compatible.** The new Carry Baskets are designed to hold any iPad device with or without almost any case.
-  **Lifetime warranty.** PC Locs products are built to last the distance.²
-  **Free shipping** to almost anywhere in Australia. Contact us for more details.

It just makes life easier.

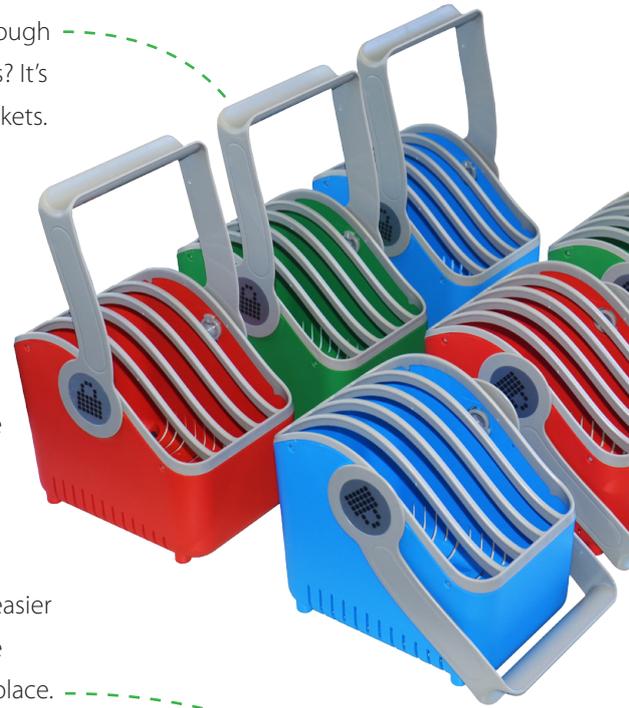

Designed to go where others can't. Stairs, rough terrain or want to split your set of iPad devices? It's now even easier with the new 5 slot Carry Baskets.

- Durable and lightweight construction
- Receive six removable Carry Baskets
- Each Carry Basket can hold up to 5 devices

Modular and mobile. With the ability to remove the iQ 16 Sync Charge Boxes from the iQ 30 Cart, syncing and charging can occur almost anywhere, independently of the Cart.

Improved cable management. Neater and easier to set up. The iQ 30 Cart features a new centre channel system which holds all the cables in place.

Lock it down! Worried about the whole iQ 30 Cart going missing? We've thought of that too... The Cart is equipped with a heavy duty anchor kit so that you can lock the whole Cart down.

Secure syncing and charging! Two external USB host ports so you can sync or charge your devices whilst being secured in the Cart.

Intelligent power management system.

The iQ 16 Sync Charge Box automatically stages the availability of power to each port. This function prevents the potential of overloading the circuit and protecting your devices.
