

INTELLIGENT SOLUTION, SMART WORKSPACE

RoomPanel | Professional Room Scheduling Device

Full RGB
LED Bar

Lightweight
& Compact

Meeting
Reservation

Intelligent
Management

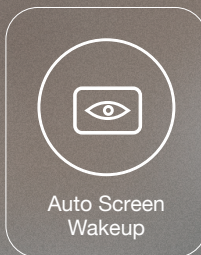

Yealink RoomPanel is a professional multi-function room scheduling device with 8-inch touch screen, Android 9.0 OS, full-RGB LED, dual microphone and speakerphones array. The compact all-in-one panel not only displays the room status in real time, but also allows for ad hoc meeting reservations or booking other meeting rooms, which is efficiency-enhancing for enterprise workspace management. Also with PoE support and provided multi-option brackets, it can be installed on various surfaces (concrete wall/glass/wood, etc.) with ease.

Dedicated Interface, Modern Stylish Design

Slim and compact, along with elegant and metal appearance, the panel is ideal and congruent for modern workspaces. It also brings superior visual and interactive experience on the 8-inch touchscreen with anti-fingerprint craft as well as the light and proximity sensor.

Auto Brightness Adjustment

Auto Screen Wakeup

Anti-fingertip

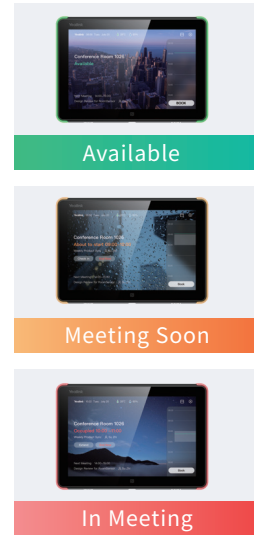

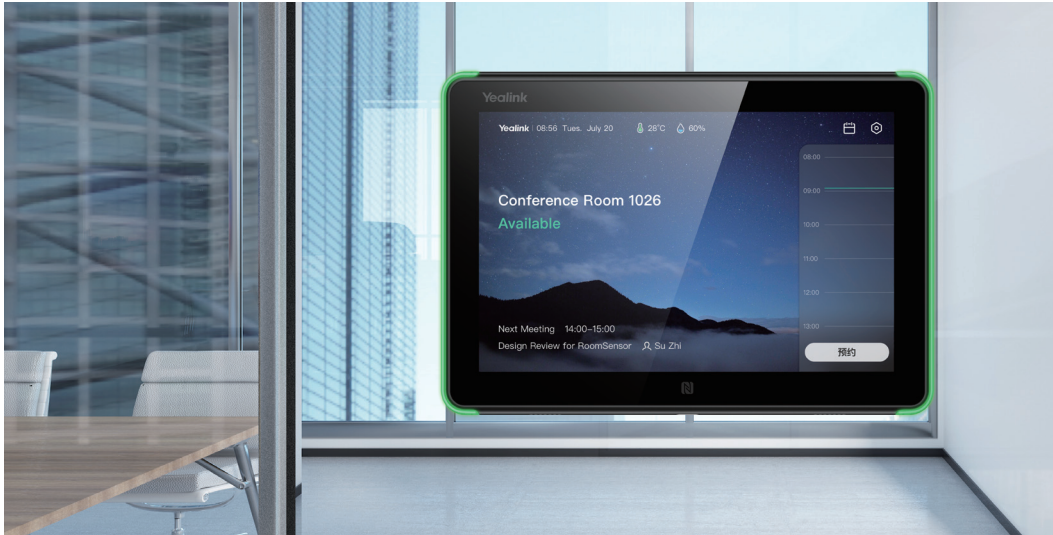

Slim Figure

9mm Slim Figure

Vibrant LED Bars, Room Status At-a-glance

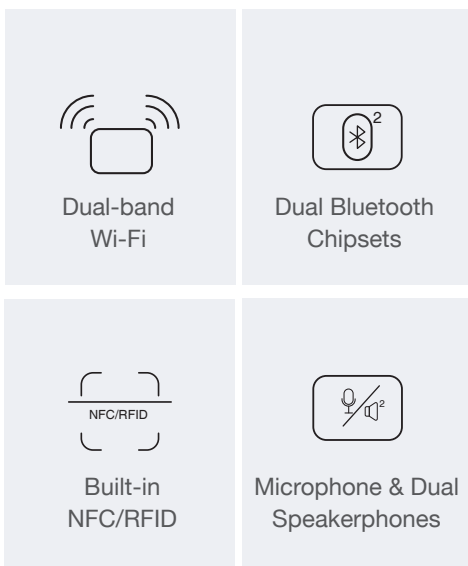

Checking the availability of a meeting room becomes ever easier with the colored LED bars. The bilateral cambered, full-RGB LED bars, allowing for customized color settings, are of high visibility from any angle of view.

Perform with Enterprise-grade Capabilities

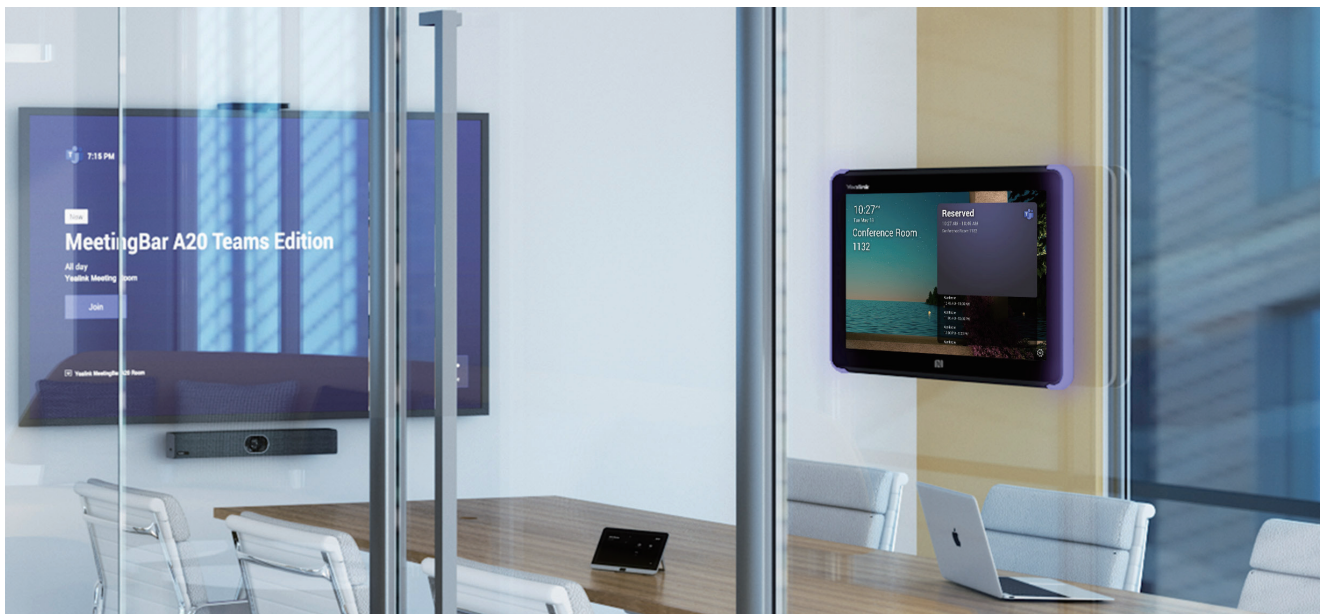

- Support dual-band 802.11ac Wi-Fi module for wireless deployment with enhanced network stability and efficiency.
- Embedded dual Bluetooth 5.0 chipsets for extended features such as Bluetooth gateway – pairing with RoomSensor to enable auto reserve/release*.
- Support NFC/RFID for advanced ID authorization and attendee check-in*.
- Built-in microphone array and dual speakerphones for future expansions like virtual assistants, administrator call, etc.

*Features supported by meeting scheduling applications

Broad Platform Compatibilities

Compatible with Yealink Workspace Management Platform, Microsoft Teams and other third-party meeting platforms, the RoomPanel offers experiences of your choice for various meeting scenarios and environments.

Simple Deployment, PoE Support

Supporting PoE and DC power supply, the Panel is labor- and time-saving to install with provided mounting brackets on concrete wall/glass/wood and other surfaces, with parallel or tilt angle.

Efficient Remote Management

Working with Yealink Workspace Management Platform and Yealink Management Cloud Services, all the meeting room devices and schedules can be monitored, managed, and analyzed with ease and efficiency.

Specification

Basic

Operating System	Android 9.0
------------------	-------------

Display

Size	8" LCD Panel (16:10)
Resolution	1280x800
Contrast	1000:1
Viewing Angle(H/V)	±80°/±80°
Touch Screen	10-points Capacitive Multi-touch
Anti-fingerprint Coating	Yes
Proximity Sensor	Yes
Ambient Light Sensor	Yes

Connectivity

Ethernet	1 x Fast ethernet port (10/100Mbps)
Wi-Fi	802.11a/b/g/n/ac
Bluetooth	5.0
RFID/NFC	13.56MHz
USB Port	1 x USB-C port
Button	1 x Reset pin hole

Audio

Microphone	2 x Array Microphones
Speaker	2 x 1 Watt Speakers

Power Supply

Power over Ethernet (IEEE 802.3af)
12V Power Adapter

Mounting Options

Surface mount for 2-gang US electrical box
20° tilt mount kit for wall or glass
Flush mount kit for wall or glass

Dimensions

Display size (mm)	209 x 146 (8.23" x 4.06")
Weight	0.53kg (1.168 lb)
