

Christmas Tree Lights Using Primary Colours

You can download the template for this activity. Otherwise feel free to draw your Christmas tree and the gifts freehand!

Click anywhere on this page to view this IDEA online and the products used!

Create this fun Christmas tree to display during the festive season!

Get your supplies!

You will need:

- Micador Acrylic Paint Pack – Primary Colours
- Micador Stylist Watercolour Palette – Disc 36
- Micador Future Kids Brush
- Stay anywhere pen
- Micador Dry-Safe Markers
- Cotton Tips

Step 1: Colour the tree!

Once you have drawn your outline with your Stay Anywhere Pen, colour the tree with your Stylist Watercolour Paints.

Step 2: Lights

Using your Acrylic Paints and cotton tip, dab colourful lights onto your tree!

Step 3: Gifts

Colour the gifts underneath the tree with your markers. Use an assortment of colours for the ribbons and bows to keep it fun.

Step 4: Let it snow!

Mix some white and blue paint. Use a cotton tip to dab on some Christmas snow!
