

# HOW TO PLAY TOP TRUMPS!

**1**

Shuffle and deal all cards to players face down.

**2**

Each player holds their cards so only they can see the top card.

**3**

The player to the dealer's left starts by reading out a statistic from the top card and placing it in the centre.

**4**

Each player continues to read out the same statistic on their card and places it in the centre.

**5**

The player with the highest value wins all the centre cards and adds them to the bottom of their own pile.

**6**

The person with all the cards at the end is the winner!
