COMBI

MOTORISED MOBILE STAND

The **Karter Combi** Motorised Mobile Stand is a classroom-focused marvel, adjusting to your preferred height, whether standing or sitting, work or teaching is a breeze with its generous 500mm stroke, accommodating students of all ages and teachers of various heights. With durable wheels for smooth mobility over doorways and playgrounds, tidy cable management, a mini PC mounting option, and a wired remote control for easy height adjustments, the Combi delivers unparalleled accessibility.

It also features a stylish felt pocket for storing essential items, making it suitable for versatile applications beyond the classroom, accommodating screens up to 98 inches with quick and hassle-free assembly.
