

CODE MAT & ACTIVITY CARD SET

Explore new ways to learn and play with the Sphero Code Mat and Activity Cards. The Sphero Code Mat seamlessly pairs learning with play. Perfect for educators, students, and parents. This two-sided mat offers a simple, accessible way to learn block-based coding, basic math principles, and collaborative problem-solving.

Side 1: Sphero Golf

Sphero Golf is our spin on the traditional golf course -- it's fun, educational and 100% caddy-free. Explore concepts like distance, speed, math fundamentals, and basic coding by navigating around sand traps, mastering a trick shot, or scoring a birdie with your bot.

Side 2: Sphero Town

Welcome to Sphero Town. Program your robot with Draw, Blocks or Text to navigate around the city, plan a road trip or run some errands.

Activity Cards

The Sphero Code Mat opens up unlimited opportunities for learning and play, but to help get you started, we're including 3 identical packs of activity cards. These double-sided cards feature 20 fun challenges and games you can use to inspire and engage your students. Work independently or in groups to complete all the activities!

WHAT'S IN THE BOX?

1x double sided code mat 2.19 x 1.15m
3 sets of identical 20 unique activity cards
