

DATASHEET

C505E HD WEBCAM

Step up from built-in laptop optics with the Logitech® C505e business webcam that delivers crisp, smooth and colorful widescreen HD 720p video at a budget-friendly price point that makes office life much easier.

C505e provides a 60° diagonal field of view, fixed focus and auto light correction that adjusts illumination of most spaces; one omnidirectional mic supports clear conversation up to 3 meters away.

The extra-long USB-A cable and universal clip provides a wide range of versatile mounting options. Secure it on a screen—or mount it up to 7 ft (2m) away from your computer.

C505e works with all popular video applications, including Microsoft® Teams, Skype™ for Business, Google Voice and Meet, Zoom® and others to ensure compatibility and seamless integration in the workplace.

KEY FEATURES AND PRODUCT SPECIFICATIONS

- 1 HD 720p widescreen video:** A 60° diagonal field of view along with HD 720p/30 fps resolution, fixed focus and auto light correction helps adjust to most lighting.
- 2 Mono, long-range microphone:** The single, omnidirectional mic is engineered to support clear, natural conversation up to 3 meters away, even in busy office environments.
- 3 Extra-long USB-A cable extends setup options:** With its USB cable and universal clip, position it securely on a laptop or external screen, or mount it up to 7 ft (2 m) away from your computer.
