mm: 206.75(H) x 268(L) x 23.5(W)

Follow the steps below to check your device's compatibility with the CarryOn.

1

Connect the power cable and measure your device. Check the length, height and thickness.

2

Check device dimensions against the **below** measurements to determine if your device is compatible with the CarryOn. The illustration below gives you a visual illustration.

3

If your device is smaller than the measurements shown below, your device is compatible.

PRODUCT NAME	DESCRIPTION	TOTAL DEVICES PER STATION	MAX DIMENSIONS: (including power connector (mm))	POWER
CarryOn	Ultra-mobile charging station	5	206.75mm x 268mm x 23.5mm	USB Charging
