

# iQ 20 Cart™ Specifications

## LED Status Indicators

LED indicators on the top of the Cart provides feedback on your devices status (charging, syncing, device connected, device not connected).

## USB Charging

Charge up to 20 iPad or other Tablet devices at once. Equipped with four intelligent iQ 5 Sync Charge Boxes, which automatically stage the availability of power to each device, reducing the possibility of a momentary electrical overload when multiple devices are powered on at the same time.

## Syncing

Connect and sync up to 20 devices at once. The two external USB host ports connect all 20 devices to your MacBook/Computer. Syncing can be managed by iTunes, Apple Configurator or other similar software depending on the device that needs syncing.<sup>1</sup>
