AUSTRALIAN MADE

AUSTRALIAN BRIGHT WHITE OFFICE PAPER

Proudly Australian made at Opal Australian Paper's Maryvale Mill. A local employer in the community since 1937 and committed to sustainability, jobs and supporting the local economy. The Maryvale Mill supports close to 5,786 full time equivalent flow on jobs and provides an annual contribution of \$911 Million in GDP. Australian Office Paper is Climate Active Carbon Neutral certified. This means that all greenhouse gas emissions associated with this products life cycle have been calculated, independently audited and then offset by investments in greenhouse gas reduction projects.

Maryvale Mill

As Australia's largest integrated fine paper-making complex, Maryvale Mill produces around 600,000 tonnes of paper every year. Maryvale is an industry leader in environmental practice and is Victoria's largest producer of baseload renewable energy. The Maryvale Mill is one of the largest private employers in the Latrobe Valley with around 850 direct employees and many more supported indirectly through the Mill's activities.

Materials

Major components are ECF Light bleached fibre, filler (calcium carbonate) and starch.

Certification

Our pulp and paper mill is certified to:

- Quality System AS/NZS ISO 9001
- Environmental System AS/NZS ISO 14001
- OH&S AS/NZS 4801
- Australian Forestry Standard (AFS/01-31-08) certified; globally endorsed by the PEFC
- Climate Active Carbon Neutral certified

Product Technical Information

The table below displays typical values.
Test climate: RC @ 50% RH, 23°C.

Physical Properties	Unit	Typical Values	Method based on
Nominal Grammage	g/m ²	80	AS 1301.405s
Moisture	%	4.5	AS 1301.457s
Thickness	µm	104	AS 1301.426s
Roughness (Bendtsen)	ml/min	225	AS 1301.439s
Porosity (Bendtsen)	ml/min	1450	AS 1301.440s
Cobb	g/m ²	28	AS 1301.411s
Visual Properties			
Opacity	%	93.5	AS 1301.454s
CIE Whiteness	-	160	ISO 11475
