

MCoreKit-C4 MS

Basic Component of Microsoft Teams Room System

Yealink MCoreKit-C4 MS is the fundamental component of Yealink's third-generation MVC. This combination consists of the high-performance MINI-PC MCore Pro and the touch panel MTouch E2. Yealink's new generation MINI-PC MCore Pro combines aesthetics with practicality, featuring three HDMI ports and built-in EDID, providing a flexible and reliable deployment solution for conference rooms. With this combination, users can flexibly match video or audio devices, whether it's the compact and exquisite UVC34 or the intelligent PTZ camera UVC86 that offers multiple AI functions and a 12x optical zoom. They can all operate on this combination.

Key Features and Benefits

Native Microsoft Teams-tailored user interface, smooth conference experience

MTouch E2 has a built-in human motion sensor, and when participants enter the conference room, the conference system will be automatically woken up. Through the native Microsoft Teams application interface, one-click conference, call control, camera control, content sharing and other functions can be easily completed through MTouch E2 during the meeting.

Content sharing in real time

The unique wireless content sharing solution provides participants maximum flexibility and a one-click content sharing can be simply realized by plugging into the WPP30. With a high resolution of 1080P/30 frames, it provides

users with a better content sharing experience. Besides, the wired content sharing is also available by connecting to the USB-C or HDMI port.

Simple to deploy, Easy to use

In the Yealink MVC series, the MCore Pro cable management solution integrates data transmission and power supply cables into one CAT5e cable, provides a straightforward solution to complicated cabling, and reduces the deployment time.

Manage your devices remotely

This solution supports Yealink Device Management Platform/Cloud Service, and you can flawlessly manage, monitor, configure, update and diagnose all Yealink audio and video device peripherals on this platform remotely.

Specifications

Parameter	Description
Package Content	<ul style="list-style-type: none"> · MCore Pro, Gen-3 Mini-PC · MTouch E2, Gen-3 touch panel
