

Multifunctional Meeting Room Scheduling Panel

Yealink RoomPanel Plus is a 10.1-inch multifunctional meeting room schedule panel that runs android 11 and comes with full RGB programmable LED background illumination for immediately visible communication of room status. It includes multi-point touch capability, face recognition camera, built-in NFC/RFID reader, enhanced microphone arrays and speakers to meet the diverse needs of the current office environment. Yealink RoomPanel Plus can act as a stand-alone gateway, connect to meeting room sensors and automatically update meeting room schedules, providing various meeting room management functions. Also equipped with Power-over-Ethernet and various mounting brackets, Yealink RoomPanel Plus could be easily mounted on any surface.

Key features and benefits

10.1-Inch Multi-Point Interactive Panel

Multi-Point touch capability screen to easily book rooms or check in/out at the RoomPanel Plus.

Face Recognition Camera *

Enhanced face recognition security and check-in function.

High Visibility LED Bars out Room Status

Full RGB LED bars for immediate all-round visible communication of room status.

Ambient Light & Proximity Sensor Embedded

Environment self-adaptation. Automatically adjust the screen brightness and automatically wake up the screen.
